Dear Kentucky Drinking Water Certified Laboratory;

Please find enclosed your laboratory's Drinking Water Certificate for 2020. Please review the certificate and associated list of your laboratory's certified method-analyte pairings for drinking water compliance samples in Kentucky. The attached certificate is valid until December 31, 2020.

Laboratory fee schedule has been revised (see 401 KAR 8:050). Beginning in late 2019, going forward, the following changes are in effect:

- Applications (incl. fee payment) are due before December 31st each year
- Applications received between January 1st and January 15th – incur a 15% surcharge
- Applications received after January 15th – shall pay a 25% surcharge

We look forward to working with your laboratory in the upcoming year. Please visit our Laboratory Certification Program webpages for contact information, program updates, renewal schedule/document requirements and links to useful documents.
